Re: Request for information
Pebble Puppy No. 2 Mine

Dear Mr. Caldwell:

In the matter of the Pebble Puppy No. 2 Mine along the Green River, operated by you, we are requesting information relative to its size, the nature of the operation, and other appurtenant facilities. This information is essential to determine compliance with state water pollution control regulations.

Further enforcement action may be necessary if the information is not received on or before 28 February 1989.

If there are any questions please let us know.

Sincerely,

Charles G. Dietz, P.E.
Environmental Engineer
Bureau of Water Pollution Control
